HOW TO FIND US

By Motorway

Approaching from the NE or SE along the M6, leave at Junction 6 (signposted Birmingham Central) to join the A38 (M).

At the end of the motorway keep to the right; go over a flyover, then through three underpasses to join the A38 Bristol Road. You will come to a main set of traffic lights where you will see a large McDonalds on your right hand side at these traffic lights turn right

Continue straight on up to Five Ways Island, turn left into Calthorpe Road to traffic lights keeping to the right hand lane with St Georges Church on your right hand side. Turn right behind the church then left onto Highfield Road. Our Offices are on the left, half way up, signed Wakemans. Please drive under the 2 arches and use the parking spaces on the right.

Approaching from the SW, leave the M5 at Junction 4 (signposted Birmingham SW) to join the A38 signed for Birmingham. Continue along the A38 for approximately 9 miles. You will pass Birmingham University on your left and after approximately 1 mile you will come to a main set of traffic lights where you need to turn left into Priory Road. Continue along this road until you come to the island. Turn left at the island to traffic lights. Continue over lights until you come to a junction with St Georges Church in front of you. Keep to the right, turning right behind the church then left onto Highfield Road. Our Offices are on the left, half way up, signed Wakemans. Please drive under the 2 arches and use the parking spaces on the right.

The approach from the M40 and M42 through the southern suburbs can be very confusing. It is easier to turn south on the M42 and leave at Junction 1 to join the A38 signed for Birmingham. Directions as above.

By Rail

All inter-city services to Birmingham arrive at New Street Station. There are taxi ranks at the station and the journey to Edgbaston takes about 10 minutes.
