Qualifying Round of 36 holes played on 13 July. Best gross 16 scores over 36 holes will qualify for a Knock-out Tournament over next two days to decide the championship. The next 16 best gross scores over 36 holes will qualify for a Second Flight Knock-out Tournament if they so wish. In the event of adverse conditions the Committee reserve the right to alter the format of the competition in order to achieve a result. This is a QUALIFYING COMPETITION. There will be a banded draw (handicaps plus to 4, 5 to 9, 10 to 18) for partners in twos or threes depending on the number of competitors. If appropriate, there may be a two tee start. Ties will be decided on the last 18,9,6, or 3 holes. The case of further ties will be decided by the Championship Committee. The Automatic Draw will operate. Each match, including the Final, will consist of 18 holes and, in the event of a match being all square after 18 holes, competitors will continue to play until one or the other shall have gained a hole, when the match shall be considered over. The Winner of the Tournament shall be the South Western champion for the year and shall hold the Huleatt Salver until the next competition is held and will receive a voucher. The Runner up shall hold the Lloyd-Williams Salver until the next competition is held and shall receive a voucher. The Winner of the Second Flight shall hold the Salver until the next competition is held, plus a voucher and the Runner up shall receive a voucher. The ball the competitor plays must be named on the current List of Conforming Golf Balls issued by the R&A. Competitors not on the tee at their appointed time may be disqualified at the discretion of the Championship committee, who also have the power to delay the time of start if they consider the circumstances render it advisable. Competitors shall walk at all times during a stipulated round unless prior permission has been granted from the Committee. Distance measuring devices are not allowed. Competitors must be prepared to participate in the Championship Match Play stages but are allowed to choose whether they wish to participate in the Second Flight. Entries for the Qualifying rounds only are not allowed. A competitor is prohibited from having a Professional golfer to serve as her caddy during any stipulated round. Entrants must conform to these 'Conditions of Play'. Any disputes during the meeting shall be settled by the Committee whose decision shall be final.
